

Thanks for reaching out to us here at AMERITALIA! How can we assist you today? Are you considering a machine for home use?

Single Group Slayer Espresso-starts at \$8,499

Flavor Profiling-Manual operation of 3-position actuator allows total control

Pre-Brew Timers-Automatic pre-brew wetting stage

Shot Mirror-Improves visibility during extraction
Patented Needle Valve-Grind fine with restricted flow rate during pre-brew phase

Custom Options-Personalize with distinct body colors, materials and wood

Or were you considering a 2-3 Group machine for a cafe? We have 4 different models to choose from:

Slayer Espresso-\$18,610 for 2 Group & \$23,565 for 3 Group

Flavor Profiling-Manual operation of 3-position actuator allows total control

Pre-heat Tank-Unlimited steam and ultimate brew temperature stability

Pre-Brew Timers-Automatic pre-brew wetting stage

Shot Mirror-Improves visibility during extraction

Patented Needle Valve-Grind fine with restricted flow rate during pre-brew phase

Custom Options-Personalize with distinct body colors, materials and wood

ALL Steam Models have the following features and benefits:

- **Multi Boiler**-Dedicated steam boiler with dedicated brew boilers per group; they do not use heat exchange or a shared boiler for the individual groups
- **Volumetrics**-with the ability to be set to a manual shot if desired
- **Extra wide/deep** drip tray for maximum working surface and workflow
- **Ergonomic steam wands** for quick purge and on/off; easily used left or right handed

Steam EP-2 Group is \$12,999 & 3 Group is \$15,999

Pre-Wet-Reduces channeling and in field tests has changed the flavor of the shot

Button Actuators-4 volumetric settings

Shot timers, brew temperatures, shot counters, quick clean and full clean

Hot Water Wand-Programmable dose

Steam LP-2 Group is \$14,999 & 3 Group is \$17,500

Pre-Infusion-1-3 bars of pressure for a soft pre-infusion. Dynamically change the flavor and allow for a much finer grind

Paddle Actuators, 2 volumetric settings per group

Quick calibration option-Quickly record/playback your last shot! Calibrates your flowmeter and sets volumetrics

Adjustable Drip Tray and Shot Lights

Steam X-2 Group is \$15,500 & 3 Group is \$17,999

Paddle actuators-2 volumetric settings per group like LP
Shot timers, brew temperatures, show volume in grams, shot counters, quick clean and full clean

Hot Water Wand-Programmable dose

Adjustable Drip Tray and Shot Lights
